State Treasurer on pace to return record \$40 Million in 2013 **More County Fair Goers statewide can search the Unclaimed Property Database for their share of more than \$400 million dollars this Summer**

(**Madison**) State Treasurer Kurt Schuller and staff from the Unclaimed Property Unit are proud to announce returning \$19,293,262 in unclaimed property to date. In 2012, a nearly \$36 million was returned.

“I am thrilled to get this much money back in the hands of Wisconsinites,” said Treasurer Kurt Schuller. “We are gaining momentum through our Community Outreach programs to put back in the hands of people \$40 million by the end of the year far surpassing last year. So, you will see us at more Fairs statewide to search our unclaimed property database to see if the State Treasury is holding some of your lost money.”

Schuller and staff will attend four County fairs as well as the Wisconsin State Fair to ramp up returns. Anyone who stops by the Unclaimed Property can search the database for lost money.
